

PAPAYAS Y FRUTAS DE OAXACA

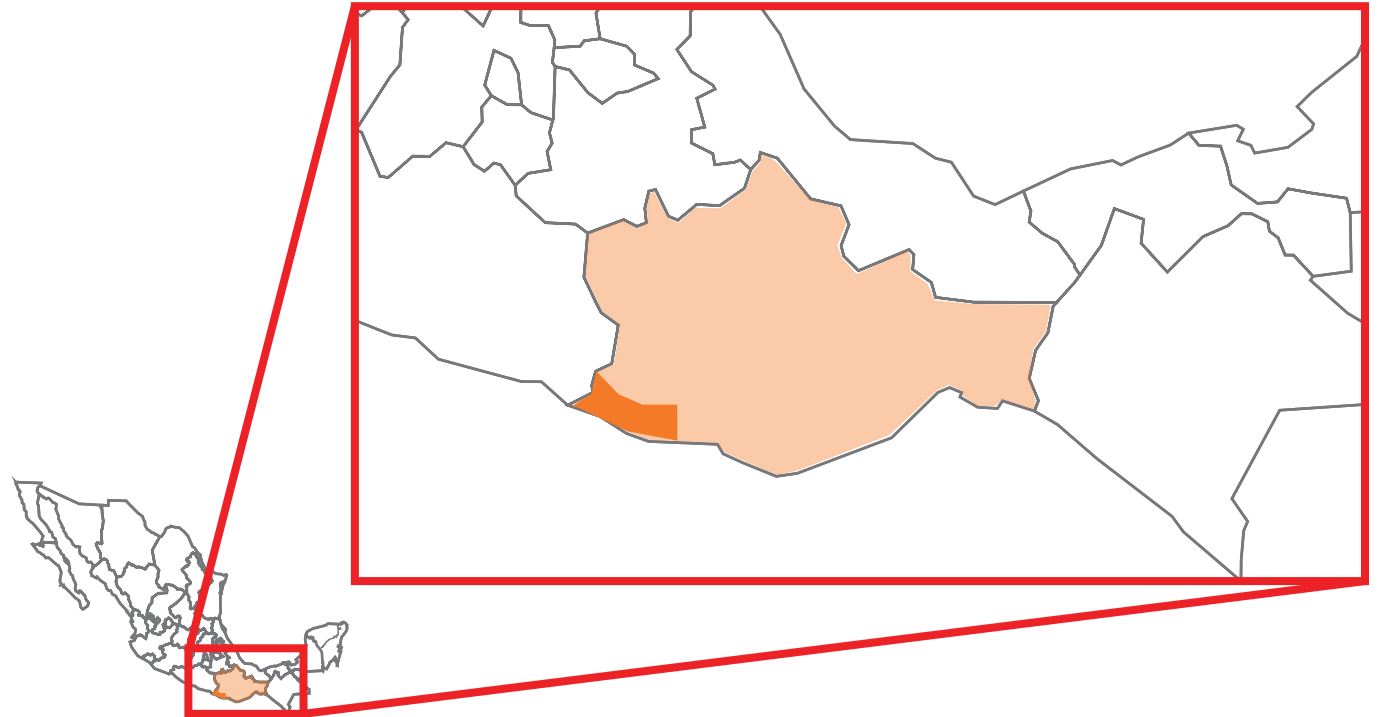

# who are we?

Established since 1992, Papayas y Frutas de Oaxaca is a familiar production company of tropical fruits, pioneer in the Papaya farming in México.

Even being papaya our main product, through the years we have increased the offer including to this days: banana, lime, & watermelon

why can we harvest  
excellent fruits?

# Santiago Jamiltepec Oaxaca,

Our privileged location, rich ground,  
right amount of rain & temperature are  
the combo for the crops

our products
